DETAILED ACTION

Information Disclosure Statement

The information referred to in the information disclosure statement filed October 20, 2003 has been considered.

The information referred to in the information disclosure statement filed November 3, 2003 has been considered.

Preliminary Amendment

The preliminary amendment filed October 20, 2003 has been entered.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 2-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In line 1 of claim 2, "a movable seat" is set forth. In line 4 of claim 2, "a movable seat member" is set forth. It is unclear if the movable seat and the movable seat member are intended to be the same structural feature. Also note "said movable seat" in each of claims 4 and 10. Claims 3 and 5-9 are indefinite since each depends from an indefinite claim.

Claim Objections

Claims 11-18 are objected to because of the following informalities: Line 3 of claim 11 appears to include a typographical error. Note "said stationary bas ,". Claims 12-18 are objected to since each claim is dependent from an objected to claim. Appropriate correction is required.

Allowable Subject Matter

Claims 11-18 are allowed.

Claims 2-10 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
